and shall be considered as one flight whether the charter is one-way, round trip, circle tour, or open jaw, even if a separate contract is entered into for a return portion of the charter trip from Canada (or the United States).

(b) The computation shall be made separately for (1) "small aircraft" flights of persons; and (2) "small aircraft" flights of property.

(c) In the case of a lease of aircraft with crew for the performance of a charter flight on behalf and under the authority of another carrier, the flight shall be included in the computation if the registrant is the lessee, and shall not be included if the registrant is the lessor.

(d) There shall be excluded from the computation:

(1) Flights with aircraft having a maximum authorized takeoff weight on wheels (as determined by Canadian Transport Commission Regulations) not greater than 18,000 pounds; and

(2) Flights originating at a United States terminal point on a route listed in the Air Transport Services Agreement between the United States and Canada, signed January 17, 1966, as amended, or any agreement which may supersede it, or any supplementary agreement thereto which establishes obligations or privileges thereunder. These flights may be excluded from the computation only if, pursuant to any such agreement, the registrant also holds a foreign air carrier permit authorizing individually ticketed or individually waybilled service over that route, and provides some scheduled service on any route pursuant to any such agreement, and such flights serve either (i) a Canadian terminal point on such route, or (ii) any Canadian intermediate point authorized for service on the route by the foreign air carrier permit.

Subpart A—General

§ 296.1 Purpose.

This part establishes rules for the indirect air transportation of property. It creates a class of air carriers to provide this air transportation and grants exemptions from certain provisions of the Subtitle VII of Title 49 of the United States Code (Transportation).

[ER-1257, 46 FR 52591, Oct. 27, 1981, as amended at 60 FR 43527, Aug. 22, 1995]

§ 296.2 Applicability.

This part applies to air transportation of property by indirect cargo air carriers, and to persons entering into control relationships with indirect cargo air carriers.

§ 296.3 Indirect cargo air carrier.

An indirect cargo air carrier is any U.S. citizen who undertakes to engage indirectly in air transportation of property, and uses for the whole or any part of such transportation the services of an air carrier or a foreign air carrier that directly engages in the operation of aircraft under a certificate, regulation, order, or permit issued by the Department of Transportation or the Civil Aeronautics Board, or the services of its agent, or of another indirect cargo air carrier.

[ER-1261, 46 FR 54727, Nov. 4, 1981, as amended by Docket No. 47939, 57 FR 40103, Sept. 2, 1992]

§ 296.4 Joint loading.

Nothing in this part shall preclude joint loading, meaning the pooling of shipments and their delivery to a direct air carrier for transportation as
